For every Mulkalef, who is a these four conditions becomes obligatory the responsibilities to put on him by Allah. There are three ways to find these responsibilities and we were talking on the 3rd way, i.e. Taqlid. One

One has to do Taqlid in everything except these three things which had talked about i.e. Akale Deen, ^(objects) mujahat and obvious Islamic things duties. (Explanation of mujahat is given again here.) The conclusion Muj. can reach for Quran & Hadith we have to believe in his own research about something is just like a research of one just person. Eg. of urine etc. ^{reply to} - Questions from Mujtahed is based on the way the question was asked, (Doing research about the objects is not necessary) ----

Taqlid is to follow the ~~fatwa~~ fatwa of Mujtahed. Concept of taqlid will get more clear as we talk about Qiyah. Mujtahed sometimes gives fatwa, sometimes issues orders and sometimes passes judgement or decision for a conflict sent etc. sometimes he gives advice and he appeals and sometimes he researches about something. So taqlid is to follow fatwas of a Mujtahed by showing trust in him. And the do to implement fatwa with the intention of taqlid. This definition becomes important when the question of whether to stay on the taqlid of the Mujtahed after he dies. Just to do intention of that I will do taqlid of such and such Mujtahed. This is not enough because the the first part of definition
